as herein itemized and described in the appraisal documents complementing this certificate.

I do not assume responsibility as to the ownership of the property shown in this appraisal, not having examined property titles; services being confined to the valuation of the assets on hand at the date of the appraisal. I have no interest in this property whatsoever, present or future, and the fee for making the appraisal is not contingent on the valuation rendered.

I accordingly find the Fair Market Value of the Personal Property to be SIX THOUSAND SEVEN HUNDRED THIRTY SEVEN DOLLARS AND NO CENTS (\$6,737.00) as of January 19, 1982 and hereby certify that I have impartially valued the property described in the appraisal to the best of my skill and judgment.
